Web & Application Development.

- *Web & Application Development at AtWise Inc. covers the entire CDD process (Concept, Design and Development) as per client requirements.*
- *We develop content strategies, Site Architecture and Structural integration to create a Website/Application which conforms to a robust, effective UI and UX which will result in higher Call to Action Ratio and better Business model for our clients.*
- *As a Web & Application Development Company which aims to be counted among Top Technology companies in India, We also stress the need for using Cutting Edge Technology to deliver High Standard, Reliable & Efficient products to our end user.*
- *We provide customized solutions to our clients from simple, Static HTML websites to complex, Dynamic PHP/.NET based CMS websites and Web based Applications.*

Software products & Allied Services.

- *Any Successful Organizations strength depends on creating customer centric products and solutions which can effectively be integrated with modern technology and innovations.*
- *A Customized software product targeting specific client base can enhance user experience and help retain and increase business for any organization.*
- *We at AtWise Inc. are glad to provide services of our expert team to develop customized software products and help our clients to realize their vision and idea through Software Technology.*
- *Corporates/Organizations looking for a customized software solution to enhance their new/existing products can write to us on sales@atwiseinc.com specifying their products at a glance and request to fix a business meeting.*

Data Base & CRM Development.

- *A successful Sales & Marketing business can flourish only if you give high importance to Database Management and ensure that every campaign you wish to undertake reaches the right customer base which in turn leads to higher sales numbers.*
- *We at AtWise Inc. assist sales organizations to set up a proper Database Management & provide them with a robust and unique CRM Software developed by our software team which assures higher efficiency and target the right client base for their products which will result in higher sales numbers and increase in their overall business.*

E-Commerce and Online Retail Marketing.

- *E-Commerce and Online Retail Marketing is one of the fastest growing sectors in India and is currently growing at 27% per annum.*
- *The avenue is ideal for budding entrepreneurs who want to make a foray into digital/online world offering their products/services and looking to increase their business and grow their client base.*
- *We at AtWise Inc. assist these budding entrepreneurs with the knowhow of expanding their business and assist them to successfully grow their business in the digital world.*

Portfolio Management Service (PMS Complete Package).

- *Portfolio Management Service is beneficial for High Networth Individuals (HNI) & Urban Populace who would prefer a Qualified Asset manager/Investment Banker to manage their entire investment and financial needs under one account without the usual hardships and knowhow of financial world.*

Trading in Stocks & Commodities (Advisory & Demat account).

- *Stock & Commodities Trading is a market which gives you the highest returns possible on your investments only if you are wise enough to know when to enter & when to exit.*
- *We at AtWise Inc. assist our clients in understanding the basics of Stock & Commodities Trading and help them make the most out of the market with our long and short term strategies and research fundamentals.*

Insurance (Life, Non Life & Medical).

- *Insurance should be seen as a platform to share the risk of loss and not as a primary platform as an investment avenue unless properly researched.*
- *We at AtWise Inc. assist our clients to find a suitable product which offers maximum benefits whether in terms of Tax Saving, Life Cover, Children plans and Medical Emergencies.*
- *We also assist our clients in buying Medical policies and Motor/fire Insurance at lowest possible rates with maximum benefits.*
